GFI Updates in December 2010

Dear friends and prayer partners,
Greetings in Jesus' name.

I am very glad to bring you brief updates of GFI ministries. I was able to visit many of our mission fields in Northern and Southern India in during last three months. It was a very great blessing to see how God blessed my efforts and small beginning of faith steps that I took years ago. I remember what Hudson Taylor, missionary to China, said: ***"In every great work of God there are three stages, first Impossible, Second Difficult, Third Done"***. It is very true with GFI ministries.

While we are thanking the Lord for His faithfulness toward GFI ministries all these past years, we are thankful to you all for your continued prayer and financial support. Because of your strong ongoing partnership, fervent prayer and generosity we were able to continually assist our native Missionaries, Missionary trainees, Orphan children, widows, those suffering with leprosy, and many other needy and suffering people all these past years.

Reach Out Theological Seminary GFI missionary training center is accredited by university and we offer M.Div, B.Th, and Dip.Th programs. Students from all over India, Nepal and Burma studying in RTS. By January 2010 over 483 missionaries have been trained and sent out from our missionary training center. 72 new students are enrolled in 2010- 2011 Batch.

RTS 2010 Batch

New Hope Children's Home I was able to visit both of our Orphanages in Kerala and in Orissa. The children are growing in very Godly and family atmosphere. They look like very healthy, energetic and happy children now, and it is because of your prayer, love and support for them. You can watch their church services and activities by visiting our website: www.gospel4india.org.

Orphanage in Orissa

In Orissa GFI started an orphanage with 65 children soon after the persecution in 2008. Children were left behind as orphans as their parents were killed by Hindu fanatics. Because of the urgency without any basic facilities, in a temporary muddy hall we accommodated these children, and since then we have been praying to buy a piece of land near a developed area where they can get basic facilities and go to school, market, and hospital, etc. By the grace of God we were able to sign a

contract for a piece of land near Rayagada City, we need to pay \$38,000 for land and another \$30,000 for building facility for 100 children. If God is speaking to you to be a part of this urgent need of this orphanage Project; please stand with us by your valuable prayer and support.

Orphanage in Kerala

Vocational Training Center

GFI has started two vocational training centers for training poor, needy and widowed women to find resources for their survival. We have trained and supported 150 women with sewing machines in Kerala and in Orissa. This program has helped many suffering families to find a job and support themselves and their dependents. We thank you for making a difference in the lives of many suffering women. This coming January also we are planning to help 20 women with sewing machines, we request your prayer and support in this need.

Abraham distributing sewing machines

Gospel Bikes for missionaries

GFI was able to support over 200 missionaries with Gospel bikes for taking the gospel of Jesus Christ to the remote villages of India. By providing a bicycle for these frontline missionaries you are speeding up their evangelistic works by five or six times. Many of these native missionaries are walking fifteen to twenty miles everyday to take the gospel message to the unreached people groups. Without your help, these missionaries are not able to buy a bike because of their limited resources. You can send these missionaries where you cannot go by providing a gospel bike for their ministry.

GFI Orissa missionaries with their bikes

Megaphone

Many of our native missionaries working in the remote villages have requested a battery operated megaphone which will help them to preach to the crowd. I have been promising them for last three years that I would pray and try to get some megaphones during our annual convention in January 2011.

I am praying to provide 10 missionaries with megaphones in January. If you want help a native missionary with a megaphone, you can send a gift of \$100 for one

megaphone. Please note that the gift is for a megaphone, and we will purchase that on your behalf for missionaries in Orissa and Kerala.

Crusades and Annual convention of GFI in January & February 2011

Please remember in your prayers our upcoming conventions, missionary seminars, and RTS graduation service in the months of January and February 2011. After our annual convention in Kerala we will be going to Orissa for a village crusade in the first week of February. As you know, Christians in Orissa have been persecuted many times on the sake of the gospel, and we need your special prayer protection as we are taking a challenge to conduct village outreach crusades in that part of the country. We are going to do it this time because our missionaries and believers have pleaded to have a crusade in their village. We are expecting about four to five thousand people from many surrounding villages to attend this crusade. Many will be walking 20 to 30 miles to the meeting place from their villages and will stay day and night until crusade is over. We see hundreds of people open their hearts for Jesus every time we conduct a crusade in Orissa. Because many of these people stay in the meeting place to hear the gospel we have to feed them as Jesus did in His time for the crowd. I tell you the truth, as long as I have done this, I have never had any trouble feeding them. We always see miraculous financial provision for these crusades. You can be a part of what God is doing in India through these crusades and seminars by praying and supporting this crusade.

NOTE: You can make donation to GFI ministries through Pay pal account also.

GFI is a 501 (C) (3) Tax-exempt , non-profit Organization

Please pray for the Urgent needs of GFI Ministries

- We need \$10,000 for Kerala & Orissa crusades
- Providing 20 Sewing machines to needy and widowed women (\$150x20= \$3000)
- Providing Gospel bikes to 15 missionaries in Orissa & Kerala (\$90x 15=\$1350)
- Helping 10 missionaries with Mega phone (\$100x10=\$1000)
- Land & Building for Orphanage in Orissa (Approximate cost \$70,000)
We already have \$20,000 toward the Orphanage.
